Which Miami Area Fits Your Day?

Use the row that sounds most like the day in front of you. The goal is not maximum coverage. It is a cleaner first decision.

CHOICE	USE IT WHEN...
Brickell	Skyline, dinner, towers, and a tighter urban rhythm.
Coconut Grove	Shade, water, charm, and a slower scenic day.
Wynwood / Midtown	Murals, food choices, browsing, and social energy.
Coral Gables	Polished meals, strolling, and a lower-stress rhythm.
Little Havana	A shorter identity-rich food and culture stop.

ONE RULE THAT SAVES THE PLAN

Choose the job the area should do for the day. Do not ask which district is best overall.

Before You Go

CHECK THESE FIRST

- ☐ Name the day: skyline, shade, art, polished meal, culture, or beach.
- ☐ Decide how much parking, heat, and crowd friction the group can carry.
- ☐ Pick one district as the center instead of combining two weakly.
- ☐ Use the live page if two areas still feel close.
- ☐ Leave room for weather or energy to change the answer.

IF THE DAY SHIFTS

If two areas still tie, choose the one with the easier exit and the smaller travel bill.

FAST EXIT CUE

If the optional part starts to feel like obligation, cut it before relocating the whole outing.

WRITE THE PLAN

Today should feel like: _____

Our friction limit is: _____

The one area we are choosing is: _____
