Miami Beach Day Planner

Use the row that sounds most like the day in front of you. The goal is not maximum coverage. It is a cleaner first decision.

CHOICE	USE IT WHEN...
South Beach	Use when iconic energy and Art Deco atmosphere are worth higher friction.
Quieter Miami Beach	Use when you want ocean time with less scene pressure.
Key Biscayne	Use when parks, water, and a calmer feel matter more than iconic beach signal.

ONE RULE THAT SAVES THE PLAN

Let the beach be the main event. A beach day weakens quickly when it becomes a cross-city itinerary.

Before You Go

CHECK THESE FIRST

- ☐ Check weather, wind, and heat before committing.
- ☐ Choose the beach zone before leaving.
- ☐ Know the parking plan and the parking bail-out.
- ☐ Bring water and sun protection.
- ☐ Decide whether the meal is support or a second center.

IF THE DAY SHIFTS

If parking or conditions are ugly, shorten to a beach touch or switch to a nearby food-and-walk plan.

FAST EXIT CUE

If the optional part starts to feel like obligation, cut it before relocating the whole outing.

WRITE THE PLAN

Beach zone: _____

Arrival window: _____

If conditions fail, we switch to: _____
